

Sponsorship to Shahzaib Ali at International Mathematical Olympiad 2013

Shahzaib Ali, a brilliant student of FFC Grammar School (MM) has secured 9 A's in his O Level examination along with top slots in Cambridge University in Mathematics (International) and Computer Studies in Lahore Region. Resultantly he has qualified to represent Pakistan at 54th IMO organized every year since 1959 to recognize exceptional mathematicians from across the globe. The selection of competitors is made through National Science Talent Contest (NTSC) with Abdus Salam School of Mathematical Studies (GCU Lahore) being the focal institute for selection and student preparation in Pakistan. Mr. Shahzaib's selection was based on his selection into top 50 students under NTSC followed by 5 training camps at Abdus Salam School of Mathematical Studies (GCU Lahore) with 6 final candidates for representation at IMO.

Mr. Shahzaib is to represent Pakistan at 54th IMO from 18th to 28th July 2013. To commemorate his exceptional talent and success, FFC CSR has sponsored his participation in IMO to be held at Santa Marta, Columbia USA.
