

Up gradation of Paediatric Department at Military Hospital Rawalpindi

Pediatric Department at Military Hospital (Rwp) is the only center performing gastrointestinal endoscopies and colonoscopies in district Rawalpindi. The facility required major up gradation including replacement of medical equipment. In view of the lifesaving service provided by the department to hundreds of patients on daily basis, FFC donated Rs 12 million for the procurement of state of the art medical equipment including fully operational Endoscopy Operational Theater. This up gradation will enhance the efficiency and capacity of the Paediatric Department with service to underprivileged patients from across the district.
