

## FFC CSR Reconstruction of 3 Flood Affected Villages (Progress Update)

The reconstruction of 3 villages affected by floods in 2010 around FFC plant sites (Goth Machhi and Mirpur Mathelo) is in progress and above 60% of the reconstruction work has been completed by Pakistan Red Crescent Society (PRCS). The 102 million (Rs) reconstruction project involves construction of 207 houses washed away as a result of flooding in 2010. As per October 2012 statistics, 142 houses have been completed up to roof level at Chuttoo Chachar (Ghotki) whereas 45 houses at Mohib Shah and Muaza Chacharan (Rahim Yar Khan) are at various stages of completion. FFC has contributed Rs 51.02 million in partnership with PRCS and the project completion date is June, 2013.
