

BREAST CANCER AWARENESS SESSION AT FACE APL

Food Security and Agriculture Center of Excellence (FACE) in collaboration with Shifa Foundation, Islamabad organized an online Breast Cancer Awareness Session for rural women at FACE Ahmedpur Lamma on 17th November 2021.

Over 60 women participated in the session. Dr. Humera Naz Altaf, a qualified Oncologist and an Assistant Professor at Shifa College of Medicine Islamabad, shared detailed information and assistance, through an interactive online session with the women. She covered symptoms of breast cancer, self-examination for early detection, prevention and treatment of breast cancer.

An extensive question and answer session was also held during which the women were able to take advise from the Lady Doctor directly and receive on-spot guidance.

Online session held at FACE APL Training Center

FACE lady officer further spread the message, on Breast Cancer Awareness, to the local women and held another session at Chak 44 NP, on the same day.
