

## Director Strategic Plans Division visits FACE APL

Brig. Abdul Rehman Arif, Director Commercial and Open Program Branch Strategic Plans Division (SPD) visited Food Security & Agriculture Center of Excellence (FACE) in Ahmedpur Lamma, Rahim Yar Khan on 18<sup>th</sup> -19<sup>th</sup> December 2020.

Ms. Maliha Malik, Manager FACE briefed on the progress, achievements and efforts made by FACE to tackle and eliminate challenges towards a food secure Pakistan. Brig. Abdul Rehman witnessed a demonstration on the capabilities of DJI Agras T16, T20 and Phantom 4 Multispectral agricultural drones followed by a visit to the under-construction FACE site office in Ahmedpur Lamma.

He attended DJI led product trainings for hexa-copters at FACE APL Office and was accompanied by FACE team to quality cotton project at Khanpur which has 10,000acre land under cultivation. He also had a meeting with the local farmers engaged with FACE under the quality cotton project.

FACE in collaboration with PAEC envisions to revive the cotton crop in Pakistan, tackle the existing challenges and establish demo plots and seed multiplication projects at Ahmedpur Lamma and Khanpur.

With mutual collaborations, FACE continues to strive and team up with possible partners to accelerate outreach and gain its true potential.
