

Environment Friendly Building- FACE APL

Food Security and Agriculture Center of Excellence (FACE) promotes United Nation's Sustainable Development Goal-7 for Affordable and Clean Energy and has successfully energized its office building in Ahmedpur Lamma, Rahim Yar Khan through incorporation of a 60-KW On-Grid Solar system starting July 2021.

Goal 7:

Ensure access to affordable, reliable, sustainable and modern energy for all.

Low
Carbon

FACE aims to create energy independence through renewable environment friendly solutions that are reliable, cost-effective and have a reduced carbon footprint. The system will cater to 100% daily energy requirements of the building.
