

FACE promotes Kitchen Gardening

FACE in collaboration with Agriculture department brings Kitchen Gardening trainings for women of Ahmadpur Lamma.

In a recent venture, Food Security & Agriculture Center of Excellence has collaborated with Agriculture Department to promote the culture of Kitchen Gardening. A total of 30 women participated in the campaign from Chak 25 of Ahmadpur Lamma in Sadiqabad on 12th October 2020.

Training and demonstrations were carried out in presence of Dr Azra from Agriculture Department, Rahim Yar Khan which focused on inexpensive ways to regular and handy supply of fresh vegetables. Smart utilization of land for the growth of need based and seasonal vegetables for consumption purposes was emphasized.

Home Gardening kits were also distributed among the participants to assist the execution of the practice while promoting efficient utilization of waste land for increased production. Maintenance requirements for the growth of customized home gardens were deliberately assessed and communicated.
