

FACE visits Fauji Foundation Farm Nukerji

Food Security and Agriculture Center of Excellence team in an effort to extend its support to like-minded partners, visited Fauji Foundation Farm Nukerji (2500 acres) for a survey along with its Agri and Precision farming experts on Tuesday, 20th May, 2022.

Col (R) Jameel, GM Farms briefed Mr. Shahzad -Sapphire Farm Services, Mr. Nadeem, ASO Hyderabad and FACE team on farm setup, crops, yield and various challenges at the farm site. FACE Agri experts collected 54 soil and 5 water samples for testing. Multispectral imaging for data mapping was carried out with the Phantom 4 Multispectral drone.

Further to the survey, Maj Gen (R) Muhammad Tahir Aslam, Director Projects – Fauji Foundation met Ms. Maliha Malik, Chief Operating Officer – FACE at FACE Lahore Office. In a mission to combat food insecurity in the region, various means to improve agriculture output and to enhance per acre yield were assessed.
