Women entrepreneurs receiving a briefing at FACE APL office

Working Group Committee meeting was carried out at FACE APL for Business startups and Askari Bank Microfinancing opportunities.

A number of female entrepreneurs interested in microfinancing their planned businesses attended the meeting to get a detailed briefing on the process. Participants are inclined towards establishing medium to small scale livestock businesses.

A total of 7 women and 13 men participated (6 of whom were representing their wives) in the meeting and a lot of information was shared and many aspects of the procedure and what was expected from the participants was discussed.
