

Sugarcane Field Day

Food Security & Agriculture Center of Excellence with the help of our Agriculture experts conducted sugarcane field day for the farmers of Ahmadpur Lamma on 27th October 2020.

The program was targeted to assist the local farmers in the region by on-ground demonstrations which were carried out in presence of experts from the field. After necessary analysis of existing practices, a comparison was drawn to obtain maximum output and income generation from the modern available and recommended best practices.

A total of 80 participants, which were local farmers, attended the event which was held in presence of Farm Advisory Services and Government representatives.

Assistant Director Zahoor Sultan from Agri Extension department of the Government of Punjab attended the program as Chief Guest. Mr. Zahid Aziz, Mr. Sanaullah, Mr. Rizwan and Mr. Shehrayar Javaid also contributed to the execution of the program.
